

## ***How Old Would You Be If You Didn't Know How Old You Were?***

If you ever find yourself wondering (regardless of your age), “Am I too old for that?” – go back to school, change careers, learn to fly, or fall in love – here are some other examples that show you’re never too old:

Actor George Burns won his first Oscar at age 80.

Golda Meir was 71 when she became prime minister of Israel.

At age 96, playwright George Bernard Shaw broke his leg when he fell out of a tree he was trimming in his backyard.

Painter Grandma Moses didn't start painting until she was 80 years old.

She completed more than 1,500 paintings after that, 25% of those when she was past 100.

Michelangelo was 66 when he finished painting the *Last Judgment* fresco in the Sistine Chapel.

Finally, here's another great quote, this one from Mark Twain:

***“Age is an issue of mind over matter.  
If you don't mind, it doesn't matter.”***

At this point, you have poured your heart and soul into your home. You've nurtured its garden, repainted the bedrooms, and decorated the walls. Now it's returning the favor with some rather large equity. I can make that equity work hard for you. As a Seniors Real Estate Specialist, I am knowledgeable in areas like taxes, estate planning, and finding that next home that just fits *your* needs. Whether the time is right today or down the road, I have the patience to listen and make more dreams come true. Call me anytime!

Sincerely,
